INTRODUCTION

Uys Mining Supplies was founded in 2019 by Mr. PJ Uys, a renowned and experienced Earthmoving technician in the Limpopo area.

His childhood dream to become a business owner became a reality in 2019 when he founded Uys Mining Supplies. PJ started his workshop from his garage at his home in Polokwane during the Covid 19 epidemic, with hard work and great determination, he was able to set up a fully equipped workshop situated in Mokopane.

Since 2019, Uys Mining Supplies has expanded the business and is now also a well-renowned supplier of Premium Quality parts and components for all Earthmoving and Mining Equipment.
